Aluminium

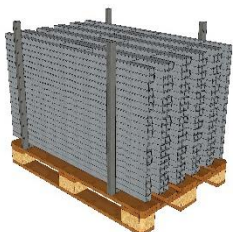

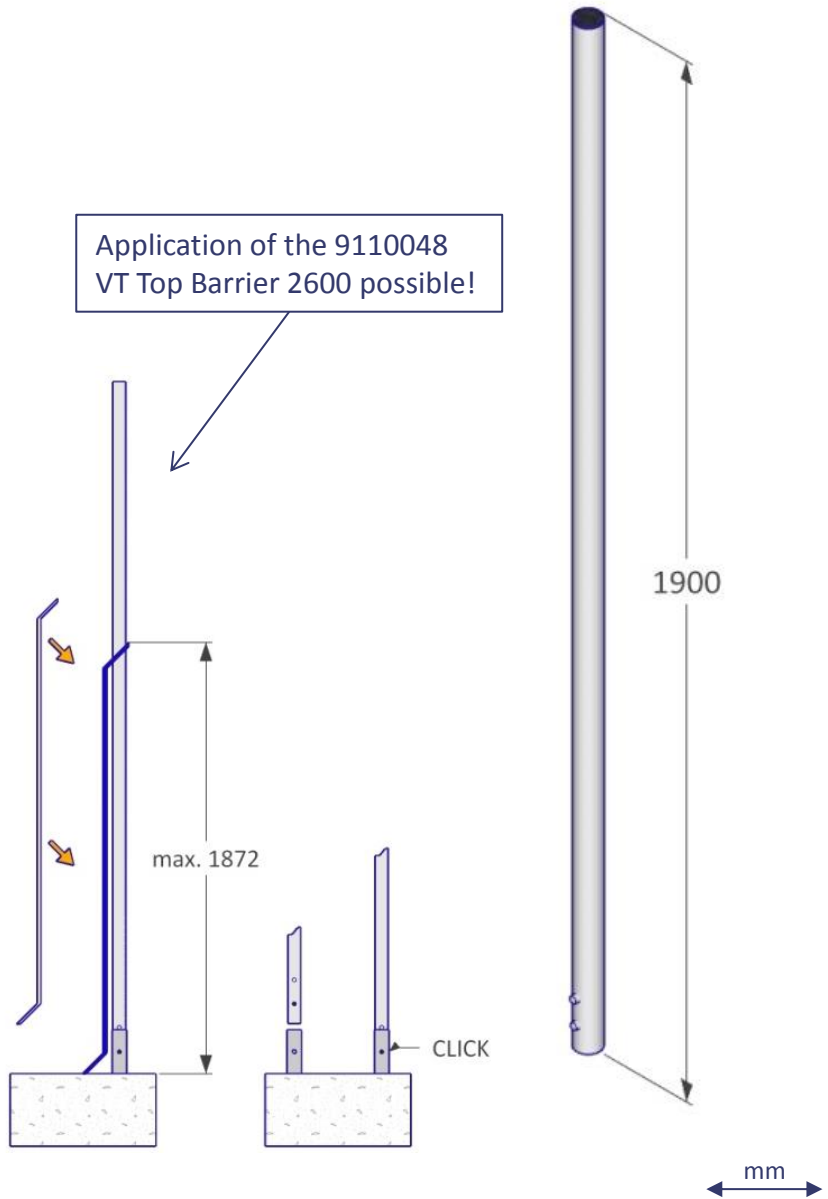

Description

The VT Alu Post 1900 is designed for permanent application with the Vivatec mesh barrier.

Due to the use of aluminium it is very light and therefore durable when it comes to handling and transport.

Equipped with the VT Easy Snap it is easy to fix within a round bottom attachment of choice. In combination with the barrier and the Top barrier this round post is part of an easy to mount edge protection.

Application of the 9110048
VT Top Barrier 2600 possible!
